## Make-Up Classes

A quick reminder on scheduling make-up classes:

- Register for a make-up class at the office.
- **ONE** make-up class per student per session is allowed. Some levels do not have make-up options.
- If your student takes twice a week, they are eligible for 2 make-up classes/quarter.
- If your student cannot keep a scheduled make-up, please check with the office for a new time.
- Since the gym is very busy weeks 7 & 8 for summer quarter, make-ups should be scheduled before weeks 7 & 8.

Thank you!
